**ORDER**

**ROBERT W. LEHRBURGER, United States Magistrate Judge.**

The Court has been assessing Jafar's motion to quash and currently has determined as follows: (1) a traverse hearing should be held to determine validity of service; (2) the deposition subpoena is not enforceable; and (3) discretionary factors warrant enforcement of the document subpoena but only with respect to the first request; requests 2 through 7 should be stricken. The Court has not yet made a determination as to immunity. Accordingly, the parties shall meet and confer and by November 13, 2023 shall file a joint letter indicating either that (1) the parties have agreed upon a resolution mooted the need for the Court to determine the immunity issue, or (2) the parties have not so agreed, thus requiring determination of the immunity issue.

SO ORDERED.
